

ADELE ARMCHAIR

A small armchair, with a deliberately outsized and conspicuous wheel. Adele is soft, round, elegant yet ironic. Brass and bright colors, curves and tightly stretched fabrics, it could fit into any room and capture attention in spite of its small size.

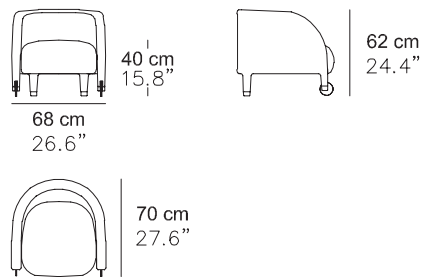

Solid wood and curved plywood structure padded with polyurethane foam in different densities. Pre-upholstery in polyester wadding, upholstery in fabric or leather covering. Wheels and tips in natural brass. Wheel with rubber gasket. More fabrics and leathers are available as per sample book.
